Doug -

I'd be happy to meet with you. We've not been heavily involved in the BDCP, though we are following it as an observer. We do intend to submit comments as it moves through the NEPA process. (Thank you for sharing your May 30 letter to DWR with us.)

I've copied my colleagues on this message hoping we can all get together to meet you. I'll use meeting wizard to solicit us all for available times the week of June 23. (The next 2 weeks are not good for us.) Look forward to working with you, David - Karen

Subject Meeting with you to discuss BDCP

Dear Karen,

I'm writing to introduce myself, and ask if you would have time to meet with me in the coming weeks and help me get up to speed on the BDCP process. I was recently hired by NRDC to work on Bay-Delta issues, including the BDCP process.

NRDC will continue to be an observer in the process, and I'm hoping to attend one of the upcoming steering committee meetings to meet the people involved. I'm also hoping that you would have a little time in the next few weeks to meet with me and help me get up to speed. Would you please email me with some dates and times that you'd be available to meet with me?

Thanks,
Doug
